The image is a hand-drawn wireframe of a web page. At the top, there's a browser-like header with navigation icons (back, forward, close, home) and a URL bar containing 'https://'. The main header area includes a hamburger menu icon, the site name 'My Site', a search bar with a magnifying glass icon, and user information 'John Doe' next to a profile icon and a shopping cart icon. Below the header is a category navigation bar with links: 'All categories', 'Category one', 'Category one', 'Category two', 'Category three', and 'Category four'. The main content area features a large banner with a central image of a blender and the text '30% OFF Mothers Day'. Below the banner is a section titled 'Top trending in subcategory' which contains five product listings. Each listing has a placeholder image of a smartphone, the text 'Huawei P20', a star rating (four stars filled, one empty), and the price '10,000 LE'. The rest of the listings in this section are represented by placeholder text and icons. The entire page is enclosed in a hand-drawn border with a scrollbar on the right side.
